synopsis

A magic New Year story about a girl, Lenka Shabadinova, full of incredible events, unexpected meetings, spontaneous confrontations and fairy-tale solutions of emotional conflicts.

It is an ironic and a philosophically conceptual eccentric comedy about 'a girl in a city'.

It tells the adventures of a modest salesgirl trading in trifles in a mysterious country – modern Russia;
in a mysterious city – modern Yekaterinburg;
in mysterious time – in our time;
in a mysterious season – the Urals New Year;
among incredible creatures – her own fellow countrymen endowed with Siberian health;
surrounded by phantasmagoric trees – Christmas trees, both living outdoors and brought home...
