*synopsis*

The Cold Front is the story of a young couple – Sasha, the daughter of wealthy parents and her boyfriend Ilya, a young and ambitious scriptwriter. Sasha and Ilya are spending their winter break in a rented house in front of the ocean in the north of France. Several days before New Year's Eve and on his shopping round, Ilya meets Masha, a lost Russian girl, who apparently got off at the wrong train station and has nowhere to spend the night.
